AFMAN23-110, Volume 6, Chapter 4, is supplemented as follows:

The purpose of this supplement is to provide guidance for processing turn-ins of precious metals, identify the organization and shop code to be used and assign an Issue Exception Code (IEX).

SUMMARY OF REVISIONS

The revision of this publication is to meet the format standards required by the Air Force. No content material has changed. Some required format changes have been made to allow for the conversion process.

4.2.2.3.1. The 30th Medical Group Precious Metals Recovery Program (PMRP) monitor will process all turn-ins of precious metals generated by the medical facility.

4.2.14. Quarterly summary of transactions will be forwarded to 30 LSS/CC through the 30 LSS/LGLS office.

4.6.4. Issue Exception Code (IEX) "P" will be assigned to item records which have a Precious Metals Indicator Code (PMIC) assigned or that contain a recoverable amount of any precious metals.

4.9.1. Organization and shop code 407PR will be used for turn-in of precious metal-bearing materials.

4.9.7.1.1.2. Organization and shop code 407PR will be used.
